

Message from Mr Tull – 15th May 2026

Dear Parents and Carers,

The summer 1 half term is coming to an end already, with only one more week before the May half term holiday. I wanted to say a special well done to our year 6 children, who completed their SATs this week.

This week in school:

Y6 SATs: Children in year 6 took their SATs this week on Monday, Tuesday, Wednesday and Thursday mornings. The SATs were shortly followed by the reveal of the y5/6 production.

Class 10 Assembly: Thank you class 10 for a lovely class assembly this morning and thank you to everyone who were able to attend. Class 10 shared some of their writing, science learning about electricity, history and computing learning, as well as some of their art work.

Half Termly Tea: Please do stay behind after school today for the half termly tea. It will be held in the expressive arts hall as normal and there will be art activities, refreshments, second-hand books and preloved clothing.

Next week in school:

Year 6 Netball Tournament: We will be taking a team from our Y6 netball club to play in a tournament at Chesterton Community College after school on Tuesday.

Kettle's Yard Carnival Collaboration: Kettle's Yard will be visiting us again on Wednesday for a workshop day, making props for the upcoming Arbury Carnival.

Year 1 Tennis Festival: Children in year 1 will be attending a tennis festival at Chesterton Community College on Thursday morning.

Class 3 Assembly: Parents and carers of children in class 3 are invited to see the class assembly on Friday 22nd May at 8.55am.

Year 6 Trip to the History of Computing Museum: Our children in year 6 will be visiting the History of Computing Museum on Friday as part of our ongoing links with ARM.

As always, please do contact us if we can be of help. If you have any specifically KS1 questions, please contact Sophie Morris at smorris@arbury.cambs.sch.uk and for anything particularly involving KS2, please contact Kate Dowdall at kdowdall@arbury.cambs.sch.uk.

Please do visit the [school online calendar](#), as we can this updated with key events so that you can plan ahead.

Kind regards

Ben Tull
