

4th September 2026

Dear Parents/Carers of all children in Year 4,

Half Termly Curriculum Information Letter – Autumn 2026 1st Half

A very warm welcome to Year 4. The children have made a really good start and settled in well! Important information for this half term is below.

Reading

This term in Guided Reading we will be reading 'Boudica's Army' by Hilary McKay. This text is linked to our Roman history topic and will help to develop reading skills and widen children's vocabulary.

Your child will bring home a book to read that they have chosen. Please read with your child at home on a daily basis and record a comment in their reading diaries. Book bags should be brought to school **daily**. Children are expected to read at home for at least 30 minutes a day and reading is monitored regularly. Children will be able to access Accelerated Reader quizzes in class and at home.

Maths

Please support your child to learn their times tables facts as this is a major focus in the Year 4. The children need to know all the times tables and corresponding division facts (e.g $5 \times 7 = 35$ so $35 \div 7 = 5$ and $35 \div 5 = 7$) by the end of Year 4.

The focus for this half term will be the **3x and 4x tables**. In order to support them, children have login details to allow access to Times Tables Rockstars at home, through the school website or via this link: <https://play.ttrockstars.com/login/29424>. Children need to practise at home for **10 minutes daily**.

Spellings

Over this half term we will continue to learn words from the statutory spelling list. We will also be looking at spelling words with the suffix '-ure' and learn how to distinguish between the spelling and meaning of homophones. Homophones are words that sound the same, but are spelt differently and mean different things. Here are some examples that we will work through in class; peace / piece, main / mane, fare / fair, great / grate, brake / break.

PE

Please send children into school in clothes that they can exercise in without the need to change for PE. On **Tuesdays** this half term children will be doing Gymnastics so will need to make sure that they are suitably dressed as they will need to do this in bare feet. Swimming lessons will be on a **Thursday**; you will have received a separate letter to give you further details about this.

Children will need to remove earrings for PE and long hair must be tied back. We believe that children can nearly always take part in a PE lesson in some capacity if they are able to attend school. Our policy is that children will take part in PE lessons unless a doctor's note advises in writing against it.

General reminders

- Please bring in a named see-through plastic water bottle daily. Children can refill these at school.
- If your child is being collected by someone different, please contact the office to let them know.

We are always happy to speak with parents. Please do catch us at the end of the day if you have a quick question or alternatively contact the office.

Yours sincerely,
Naomi Gibson and Chris Bott
Year 4 teachers
