Summer 1 2019

May Half Term

Please remember that **today is our last day of term**. We are looking forward to seeing the children again on **Monday 3rd June** for the second half of the summer term.

Online Payment

SIMS Pay

The school has registered with SIMS Pay, a company providing a flexible, online payment facility for school items. Initially the facility will enable parents/carers to check and pay for school dinners. We hope that the rollout is successful and that it will be extended to cover school trips, productions and even wrap around care bookings.

Parents/carers who we hold a current email address for will have received an email this week providing a link to the SIMS Pay registration page and a unique invitation code to enable them to register their SIMS Pay account.

If we do not currently hold an email address, but you wish to register an account, please come to the school office to update your details.

We will continue to accept payment by cash or cheque for the time being.

KS2 Disco

A big thank you to all the Friends of Arbury volunteers for organising another KS2 disco on Thursday evening to celebrate the end of a busy half term. The children all had a lovely time.

Water Bottles

As the weather warms up, it is even more important that children have access to water throughout the day. Water bottles can be purchased from the school office for £1.

Children may bring in an alternative bottle as long as it is transparent and shatterproof.

Arbury Carnival

Please remember that the school will be taking part in the Arbury Carnival again on the 8th June.

The theme this year is bedtime stories, and we have chosen to make 'The Gruffalo' our school theme as it is celebrating its 20th birthday.

Reading at Home

Thank you everyone for supporting your children by encouraging their reading at home.

In KS1, the trophy for the most children reading at least 5 times a week was won by class 3, with 79% of the class reaching the goal of 5 reads recorded in reading diaries.

In KS2 the average reading time per child has continued to increase as good reading habits have become established this year.

Last week the KS2 average reading time per child per day was just above 67 minutes!

Headteacher: Mr Ben Tull
