

### Topic: Seaside

- Looking at the human and physical features of coastlines using maps, atlases and photographs.
- Naming and locating the five oceans and seven continents on a world map.
- Identifying and labelling the seas and oceans surrounding the UK.
- Drawing a map of Hunstanton, including a key.

### Music

- We will be exploring pitch and performance through two units: Water and Travel.

### Art: Sculpture and Sketching

- We will be developing our sketchbook techniques such as using tone and shading in our sketches.
- We will be making insect sculptures using wire.

### RE:

Exploring the question, 'Where do some people talk to God?'

### PSHE:

- Managing change
- Relationship education

### Computing:

Programming quizzes using Scratch Junior

### English:

- Poetry- *The Owl and The Pussycat* by Edward Lear (set of instructions, retelling a story and creating our own story).
- *Flotsam* by David Weisner (recounting events, description and writing our own narrative).
- SPaG: common exception words, contractions, apostrophes and learning spelling rules for adding suffixes.

## Summer 2 2025 Year 2

### PE: Monday/Friday

Games: Stopping, catching and striking a ball with increased control and accuracy.  
Outdoor Adventurous Activities.  
Dance: Magical Friendships.

### Guided Reading:

We will be reading a short novel called 'Jasper and Scruff' by Nicola Colton.

### Other ways to support your child at home:

- Practise 2x, 5x and 10x tables. Use TTRockstars!
- Practise telling the time (up to 5 minute intervals).

### Maths:

- Time – o'clock, half past, quarter to and past. 5 minute intervals
- Statistics
- Position and direction
- Problem solving and using efficient methods.

### Science: Living Things and their Habitats

- Exploring and comparing the differences between things that are living, dead, and things that have never been alive.
- Describing how different habitats provide for the basic needs of different kinds of animals and plants.
- Describing how animals obtain their food from plants and other animals, using the idea of a simple food chain.
