

Art/DT

- Using circuit symbols, draw a diagram of a circuit.

Computing

- Conduct some research on different sources of electricity.
- Create a PowerPoint presentation about electricity.

Year 6 Spring 1

Topic - Electricity

You may wish to take the time to complete a project at home this half term. The project should be based around our current topic: 'Electricity'.

Here are some possible starting points, or you may have an even better idea for your project!

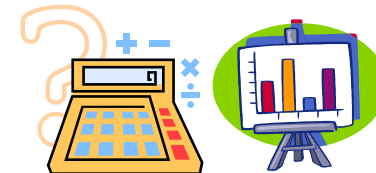

Do you have your own exciting idea for a project on electricity?

Creative Writing

- Write a poem about electricity.
- Write an explanation about how an appliance in your house works.

Maths Investigation

- Create a bar graph showing the number of items which use electricity in your home. Do they require batteries, renewable batteries or mains electricity?
