

25th March 2022

Dear Parents and Carers,

Year 3 and 4 Production

This is just a reminder that we will be recording our performance of 'The Bumblesnouts Save the World' on Tuesday 29th March during the school day and then we will stream the recording of our performance via Zoom for you to watch together at home. The Zoom performance will be streamed on Thursday 31st March at 6pm. The final song of our performance, 'Right to Survive', has been attached, as we hope you will join us and sing along at home!

You will be able to access the Zoom performance via a link which will be sent directly to parent/carers via parent mail. The streaming will include one performance of the show with a short welcome and conclusion from school staff. Every care has been taken to ensure that we are sharing the performance with you in the most secure way.

After the performance has been shown, you will also be able to see some clips and photographs on the school website.

Year 3 and 4 are so excited to share their performance with you. We hope that you enjoy it and look forward to seeing you online!

Kind regards

Rebecca Merriman, Susan Rees, Ali MacDonald and Simon Taylor
(Year 3 and 4 teachers)
