2019/20	£190,980 (Est.)	139	35%

Our school provides many layers of support for our children. 'Pupil Premium' funding contributes significantly towards the cost of the support we offer children and their families as well as funding targeted support. Whilst the provisions listed below are of increased importance to children eligible for free school meals, we acknowledge that they are also accessed by and benefit children and families outside the 35% of children on roll receiving pupil premium funding. The funding identified to provide the support has been calculated based on the % of resources accessed by children in receipt of the funding. Without pupil premium funding, provisions such as Speech Therapy, EP Support, Parenting Support and Counselling Services for children would be reduced significantly or would not be affordable at all.

Barriers to Learning:

Children in receipt of the Pupil Premium face a wide range of barriers. These are different for each individual. Staff look at barriers on a child by child basis. Barriers to educational achievement faced by disadvantaged pupils in our school include:

- safeguarding and welfare issues
- limited life experiences
- poverty / over-crowding
- poor diet / hunger
- broken family structures / family disorganisation
- mental health / anxiety / negative self-image of child or adult
- delayed spoken language / poor adult literacy
- low parental engagement.
