

Maths tasks (aim to do one a day)	Reading tasks (aim to read a couple of pages a day)
<p>White Rose Maths Home Learning Videos – Summer Term Week 5 – ‘Superworm’ https://whiterosemaths.com/homelearning/early-years/</p> <p>This week’s themes covered in maths are –</p> <ul style="list-style-type: none"> • Ordering numbers • Addition and Subtraction • Counting forwards and backwards from different numbers. • Pattern • Measuring and ordering length • Timing • Counting actions 	<p>Sign up to the Oxford Reading Owl website at www.oxfordowl.co.uk to access free books for your child to read.</p> <p>This week we would like your child to read the book ‘Toads in the Road’. Please follow this link to get to the story and activities: https://www.oxfordowl.co.uk/api/digital_books/2095.html</p> <p>This story links with the phonemes your child will be practising this week in the phonics activities that we have set.</p> <p>Read the information at the beginning of the book for tips for reading together with your child.</p>
Phonics / Spelling tasks (aim to do one a day)	Writing tasks
<ul style="list-style-type: none"> • oa • ou • aw • ir • Recap <p>Education City games relating to each sound. Twinkl Sheets. Videos from Miss Townsend - mini phonics lessons.</p>	<p>For the next few weeks we are learning about animals, mainly those that you would see at the zoo as this half term we would normally take a trip to a zoo. We hope to be able to offer a virtual alternative – watch this space!</p> <p>This week we would like you to write about your favorite zoo animal and then tell us why. Try to join your sentences together using the conjunction ‘because’.</p>
<p>Other things to try out this week: Theme: Animals</p>	
<p>This week we are going to learn about animal habitats (the natural home/environment of an animal). There is a PowerPoint that looks at different habitats of a range of animals that we would like you to look through and discuss with your grown-up. There is then a sheet to complete sorting animals into their habitats. If you are unable to print it off do not worry, you can draw your own pictures under the correct headings instead. There is also another fun PowerPoint to explore learning about zoo animals. Have you ever been to a zoo? Which one did you go to? What did you see? Please do let us know in a message via eSchools.</p>
