Dear Parents and Carers

**Message from Mrs Rawlins – 28.4.23**

This week has been another busy one – lots of our Year 3 and 4 children did their Level 1 Bikeability training on Monday. The instructors were very pleased with the focus and good listening shown by the children and were very complimentary about behaviour. Well done!

Also, on Wednesday, 4 of our Year 5 children took part in a Maths Challenge at Histon and Impington Park School, with lots of teams from the area. The children represented us very well and excelled in the 'extra thinks' category (extra problems to solve when the main ones had been completed) – a fantastic achievement!

On Thursday, it was lovely to have Class 10 to present their assembly, and we have begun today with a story swap, where half of each class swaps with half of another to share stories together. This is always something we enjoy a lot!

This afternoon, I will be meeting with our School Council reps to hear their feedback on good things in school, any worries and their ideas for our Healthy Lifestyles week which will be coming up soon.

**In school next week:**

**Bank Holiday Monday:** School will be closed for the early May Bank Holiday.
