

Aims and Values

"Equality, respect and fairness are very important to all of us in our school."

Teaching and Learning

Our staff work hard to ensure children achieve the highest standards.

Teaching and learning will be carefully planned and fun.

We want our children to be confident learners.

Relationships

We will teach good behaviour by example and by following the Golden Rules.

We will respect and celebrate each other, including our differences and be proud of our school.

We will work in partnership with parents/carers.

"In Arbury School we will all enjoy learning in an environment that is secure and stimulating. We expect the highest standards from our staff and children. All our achievements will be valued and celebrated."

Inside and Outside

We will look after our facilities carefully. We will display work we are proud of. We will be aware of when and how others are working.

We will enjoy our excellent outdoor spaces and use them safely.

We will take care of the trees and wildlife that share them.

Equality

We will give all children opportunity to fulfil their potential, and encourage all children to 'be themselves'.

We will respect other people's culture, identity, family, feelings, beliefs and values.

We will respond quickly to any bullying or racist, sexist, homophobic, bi phobic, transphobic or disability related incidents.
