

Year 3 home learning weekly overview – week beginning: 22.6.20

Look on our eSchools page for all the resources you need.

Maths tasks (aim to do one a day)	Reading tasks
<ul style="list-style-type: none"> Practise multiplication and division facts for the 3 x table. Solve the fraction problems. Use the column method to solve the addition number sentences. Solve the multiplication word problems. Have a go at answering the 10 arithmetic questions as quickly and as accurately as possible. 	<ul style="list-style-type: none"> Read out loud to someone you live with or someone on the phone / Skype / Zoom. It could even be to a toy or a pet! After you have finished a book, draw a picture to show what could happen next! Read your book in an unusual place. Take a photo to show us! Look at this week's reading ideas. Click 'Me' then 'My Groups'. Try to read for 30 minutes every day! Take an Accelerated Reader quiz once you have finished your book.
Spelling tasks (aim to do one a day)	Writing tasks (aim to do one a day)
<ul style="list-style-type: none"> Practise 5 new spellings from the Year 3/4 spelling list using the 'look, say, cover, write, check' technique. Create 5 factual sentences using a practised spelling in each. Find rhyming words for one of your spellings. Solve the spelling anagram. How many different words can you make from the letters in 'baked potato' (e.g. 'toad')? 	<ul style="list-style-type: none"> BBC Bitesize English lessons. You can watch them using the red button on your TV Monday-Friday. Sentence doctor – can you fix these sentences? Pretend that you are in this scene watching the robot. Describe what you can see, hear and smell. Use adjectives! Design a robot and label the different parts. Think about what it can do. Imagine you are a robot. Write about how you move. Use adverbs! E.g. I march creakily.

Other things to try out this week:
