

Year 2

Spring

Here are some ideas for
activities you could try in the
holidays!

Write an acrostic poem. Each
line begins with a letter from
the word SPRING.

Look outside (out of a window, in your
garden or during your daily exercise)
and complete a 'spring hunt'. Can you
find any of the things on the list? How
many did you find of each? You could
make a tally chart and compare how
many you find each day!

Spring Hunt Checklist	
<input type="checkbox"/> blossom	<input type="checkbox"/> seedling
<input type="checkbox"/> flower bud	<input type="checkbox"/> flower
<input type="checkbox"/> daffodil	<input type="checkbox"/> insect
<input type="checkbox"/> bird	<input type="checkbox"/> squirrel
<input type="checkbox"/> nest	<input type="checkbox"/> green leaf

Create a spring picture showing the
nature you might see in spring. You
could paint, draw or make a collage.

Make up a dance, poem/song or
exercise routine to perform to the
people that you live with.

Read a story and draw your favourite
character. Write some adjectives to
describe what the character is like!

Play some games on Education City.

Use things you can recycle in your
home to make something new. You
could make something that reminds
you of spring e.g. a chick, a butterfly,
some flowers or an Easter basket.
