

5.3.21

Dear Parents/Carers of children in EYFS,

Curriculum Information – from 8th March 2021

Thank you for your support over the past weeks with remote learning. We are delighted to be having children back in school from Monday 8th March. Mr Tull's letter earlier this week outlined key practical arrangements, and also noted our priorities for the curriculum and learning for the 3 weeks of the Spring Term which remain. Brief information is in the table below:

Week beginning	English	Maths	Topic	PE	Whole-school events
8th March	'Poles Apart' – writing about different polar animals. Recapping sh, ch, th and ng.	Learning to recognise, write, represent and compose numbers 6 and 7.	Learning about animals from the Polar Regions, exploring ice and building igloos.	Balancing and carrying bean bags and balls. Dough Disco.	Mrs Rawlins' assembly – Mon / Wed / Fri Census 2021
15th March	'One Day on Our Blue Planet... in the Savannah' – writing about lions. Learning 'ai' and 'ee'.	Learning to recognise, write, represent and compose numbers 8, 9 and 10.	Learning about animals from the African Savannah, comparing hot and cold places, collages using warm and cold colours.	Throwing and catching. Dough Disco.	Mrs Rawlins' assembly – Mon / Wed / Fri Red Nose Day Shakespeare Week
22nd March	'Snail and the Whale' – retelling the story and writing about the illustrations. Learning 'igh' and 'oa'.	Number bonds to 10.	Learning about animals from the ocean, talking about ways to protect ocean animals and having a virtual trip to an Aquarium.	Dribbling and kicking balls. Dough Disco.	Mrs Rawlins' assembly – Mon / Wed / Fri Census 2021
Wellbeing and creative activities ongoing over the 3 weeks	Use of outdoor spaces as much as possible – we will resume Forest School (Class 1 – Thursday, Class 2 – Wednesday) so please make sure named welly boots and waterproof trousers are in school Drawing / painting / making Time to talk and share ideas/reflect				

Helping your child at home:

Please continue to encourage your child to read at home each day, and also to do 3-4 minutes on Numbots. We will be back to aiming for our 5 reads each week and our first check of the reading diary will be on Friday 12th March.

We know that returning to school for children who have been learning at home may well be something which they have concerns about. Do remind them to talk to their teacher or Teaching Assistant if they are worried about anything.

Yours sincerely,
Miss Sheldon and Mr Sapsford
