

Write some sentences about spring. You can use the template, or write your own.

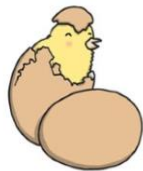

Spring Writing Activity

Write a sentence about each of the spring pictures. Use the boxes at the top to help you.

Colour in the butterfly template. Can you make it symmetrical? That means the same on both sides.

During spring lots of animals have their babies. Find the names of these baby animals: duck, pig, sheep, cow and horse.

Year 1

Spring

Here are some fun ideas for activities you could do during the holidays. Remember to send us a message with what you get up to!

Use your number bonds to 10 to work out how many eggs are missing, using the Number Bonds to 10 activity.

Log in to eSchools and take a look at all the things on your class page. Send your teacher a message to say hello!

Make an Easter basket. You could use the template or make your own using recycled materials.

Hop around like an Easter bunny! There are some brilliant ideas at <https://www.bbc.co.uk/programmes/b03g6vl5>

Choose an idea from '100 things to do indoors' on your e-schools class page.

Make some treats to share with your family. We've found a tasty recipe for chocolate duck nests – yummy!

Log into Education City and play some exciting games!
