

Consent for taking and using photos / videos

We are keen to share as many of the exciting things that happen in school as we can with parents and carers. We regularly take photographs and video clips of children learning and often share these on the school website. Parents and carers can view these mainly by visiting the 'News and Events' tab. We never use children's names. In addition, photos are regularly taken for displays around school and when children take part in a production.

Please indicate your consent by using the boxes below.

Consent for Local Visits

It is usual for teachers to take children on a number of local visits such as to the local shops, library, church etc. These local visits support ongoing work in the classrooms. These visits would not normally require any transport and the children would always be accompanied by the appropriate number of adults.

Please complete the slip below giving us permission to take your child out of school for this purpose as and when necessary. You will still be informed of any larger outings in the usual way. Please inform the office if you wish to withdraw this permission in the future.
