## Primary School

Spring 1 2020

### Half Term Holiday

Thank you everyone for all your hard work and continued support which have led to this half term being another very successful one. Have a lovely half term next week. **School will open again to children on Monday 24th February 2020.**

### Parent/Carer Consultations

Our consultations for parents and carers are in the second week after half term. (3rd, 4th and 5th of March) We are continuing to use an online booking system delivered through the school website.

To book online, go the school website and click on 'Login'. The booking window is open until 12 noon on Monday 2<sup>nd</sup> March 2020.

If you are unable to book online, please visit the school office and they will be able to assist you with this.

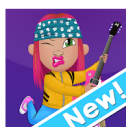

### Times Tables Rock Stars

Please do encourage your children in years 2, 3, 4, 5 and 6 to practise their tables over the half term.

We have a link to the website from our homepage. Alternatively, you can download the app from the App store or Google Play.

### School Uniform

Whilst we will continue to sell uniform from the school office whilst stocks last, we are pleased to confirm that a link to our new online provider is on our school homepage.

Please allow us to thank you for your order and to confirm that your order has been received. Please note that any orders placed online will be delivered to the school office.

### Reading at Home

Please make sure that children keep up with their reading over half term. Our weekly reading trophies are awarded to the classes who complete the most reading each week.

In years 3 to 6, we look at the number of quizzes completed on Accelerated Reader and in EYFS to year 2 we look at the number of children who have reading recorded 5 times a week in their reading diaries.

### 'Be the Rainbow'

We enjoyed making our human rainbow after school last Friday. Our annual event celebrates LGBTQ+ History Month. We dress up in bright colours and make a human rainbow. Over 100 people (staff, children, parents, carers, governors and friends) turned out to be part of our rainbow!

Headteacher: Mr Ben Tull
