

Arbury Primary School – 2018/19 Provisional

Report on strategies for supporting children entitled to pupil premium funding

Financial Year	Funding Received	No. Of pupils	Percentage of the School
2016-17	£177,620	131	32%
2017/18	£187,280	139	34%
2018/19	£187,400 (Est.)	139	34%

Our school provides many layers of support for our children. 'Pupil Premium' funding contributes significantly towards the cost of the support we offer children and their families as well as funding targeted support. Whilst the provisions listed below are of increased importance to children eligible for free school meals, we acknowledge that they are also accessed by and benefit children and families outside the 34% of children on roll receiving pupil premium funding. The funding identified to provide the support has been calculated based on the % of resources accessed by children in receipt of the funding. Without pupil premium funding, provisions such as Speech Therapy, EP Support, Parenting Support and Counselling Services for children would be reduced significantly or would not be affordable at all.

Barriers to Learning:

Children in receipt of the Pupil Premium face a wide range of barriers. These are different for each individual. Staff look at barriers on a child by child basis. Barriers to educational achievement faced by disadvantaged pupils in our school include:

- safeguarding and welfare issues
- limited life experiences
- poverty / over-crowding
- poor diet / hunger
- broken family structures / family disorganisation
- mental health / anxiety / negative self-image of child or adult
- delayed spoken language / poor adult literacy
- low parental engagement.

2018/2019 Provision	Annual Cost	Strategies to overcome Barriers to Learning
Red Hen Project (71% of the cost attributed to PP family Support) The school has committed to making an annual contribution to the Red Hen charity. The Headteacher/Inclusion leader attends fortnightly link meetings to discuss support for identified children as well as regular trustee meetings throughout the year. The project works to support families and children and prevent the need for families to be supported by social care.	£2,170 £1,000	Families and children supported so that difficult situations are improved and referrals to social care reduced. The project offers families rapid response to issue that arise.
Blue Smile (78% of the cost attributed to PP family Support) Counselling service for children. Workers from Blue smile are based at school to provide counselling support for around 32 children at any one time on a Wednesday and Thursday each week.	£17,520	This fills an identified gap locally. The aim is for our children to receive the support needed to be in the right state of mind to access their learning. The increase in Blue Smile capacity has been in response to a historical waiting list.
Pastoral Support (50% of the cost attributed to PP family Support) Our Deputy Headteacher and Assistant Headteacher are released from class and timetabled to be available to lead a whole-school approach to pastoral care, meeting with children and parents	£11,400	Issues resolved and children and parents/carers able to focus on learning. Deputy headteacher and Assistant headteacher are outside and available to talk with parents and carers before and after school every day. Deputy headteacher and Assistant headteacher are available over lunchtime to meet with children as needed.
Additional Tutoring for Targeted Y6 Children - Easter School Two class teachers work for 4 days during the Easter holiday with children coming in 9.00am – 1.00pm. 2 Teaching Assistants also support the programme.	£1,500	This provision maintains momentum for vulnerable learners in the lead up to their SATs in y6.
Additional Tutoring for Targeted Y6 Children - After School Sessions Three class teachers provide weekly after school tuition throughout the year	£2,000	This provision maintains momentum for vulnerable learners in the lead up to their SATs in y6.
Progress in KS2 (50% of the cost attributed to PP support) We identify children for a weekly booster group to target children to work above the expected level in maths.	£1,070	Identified children achieve the expected standard having made accelerated progress during the year.
Speech Therapy (50% of the cost attributed to PP support) Providing Screening in EYFS and y1. One to one work supports identified children.	£5,500	Children are identified and supported as needed. Teaching assistants are supervised to provide support also.
Trips and Visits Children not charged for termly trips and visits (£10 x termly x 139 children) School Trip to the pantomime (£15 x 139 children) Y6 Outdoor Activities Residential (22 PP children fully funded @ £225)	£4,170 £2,085 £4,950	The curriculum is able to include many more real experiences which directly lead into children engaging with their learning. The gap in children's life experiences are narrowed.

2018/2019 Provision	Annual Cost	Strategies to overcome Barriers to Learning
Admin Support for PP record Keeping Office support to record and track the access to support received by PP children is kept up to date and used to plan future spending. (2 hours per week)	£1,000	Register maintained of PP children
Y5 Music Tuition for all (23% of the cost of the additional member of staff needed to run this provision.) 3 music teachers work with the y5 children in order to teach them to play as an ensemble.	£615	Every PP child learns to play a brass or woodwind instrument. Learning an instrument raises children's self-esteem.
Accelerated Reader Children in years 3, 4, 5 and 6 are part of the programme to encourage pace and stamina in reading. (34% of the AR annual cost and annual book investment of £5000)	£2,300	Children to catch up 3 months over a 22 week period. Fluency to be increased.
Attendance – Designated attendance officer time (50% of the cost attributed to PP support) Attendance officer to monitor attendance closely, liaise with the education welfare officer and communicate with parents about issues of attendance. (10 hours per week on average.)	£3,100	Attendance is brought in line with the national average or above. Gap between PP children and the rest of the school is reduced.
Breakfast Club / After School Club Breakfast club provides childcare and breakfast daily between 8.00am and 9.00am. Children entitled to pupil premium funding are charged a reduced rate (20p instead of £1.20) and children are invited for free at the discretion of the head teacher. After school club can be offered at no cost in exceptional cases for a family of a PP child in crisis.	£900 (£1.20 x 750 free sessions) £800 (£1 discount for 800 sessions) £150 (£7.50 x 20 sessions)	Vulnerable children received breakfast ensuring that they were ready to learn. Families with attendance / lateness issues were supported to help their children to be in school on time. We will reduce the number of children unable to concentrate in class due to hunger.
Access to EP advice and Support Continued access to additional EP using traded services agreement.	£2,500	Vulnerable children can jump the waiting list to support their special educational need and avoid unnecessary delays in seeking EP advice.
Holiday Swimming Lessons Additional swimming lessons for PP children are booked through school and fully funded to encourage children to learn to swim. (£20 x 10 children x 5 holidays)	£1,000	Parents have indicated that money is a barrier to them booking lessons for their children to learn to swim. As well as weekly lessons in year 4, we are providing additional holiday swimming lessons to give the children a better chance of achieving the expectation of being able to swim 25m.
Increasing Parental Engagement with a Particular Focus on Reading Provide 1:1 support to targeted parents to remove the barriers to reading at home. Signpost parents and carers to adult literacy classes.	£2,000	We aim for parents and carers to be more confident to read with their children at home.
Release Time for PP Review Meetings with Staff. 2 days of supply booked to release staff each half term to meet with Assistant Headteacher.	£2,050	Quality time provided for the assistant headteacher to talk with teachers about the data and strategies for moving on learning.
Total	£192,330
