

# ENGLISH TOURING OPERA

## AIDAN!

Digital opera for children in 3 parts

*Aidan* is our new film for 7–12-year-olds based on Handel's opera, *Amadigi di Gaula*. Embracing the story's themes of quest, play and adventure, this 'multi-media' opera will introduce children to Handel's music and engage them in a new and creative way. Here's a [trailer](#) to give a sneak peek.

The opera is composed by **Noah Mosley**, who wrote a score which weaves together old and new music. Listen out for video game and film music influences!
