

27.5.22

Dear Parents and Carers

**Message from Mrs Rawlins – 27.5.22**

We are now at the end of the first half of the Summer Term, and the children are definitely ready for a holiday! There is much to be proud of in terms of resilience, perseverance and so much progress made by children in all parts of the school in so many ways.

Today, we had a lovely Jubilee assembly and then at lunchtime, we had our outdoor lunch with ice cream for dessert. It was the first time we had an event like this since 2019, and it really felt brilliant to have all of the staff and children out on the field together. Mr Tull took lots of photos and we will be getting those uploaded ASAP to the 'News and Events' section of the school website.

The children return to school on Monday 6<sup>th</sup> June, and we have a busy and varied half-term awaiting us. We wish you a happy half-term break and thank you for your continued support.

Kind regards

Diane Rawlins  
Deputy Headteacher
