

Take a look out of the window. What different species of bird can you see? Find out more about one of them and create a fact file.

Design and create your own game that you can enjoy playing with your family.

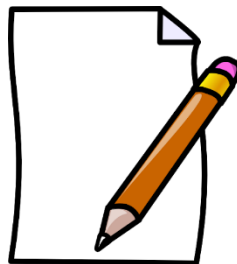

Build a friendly creature or machine out of things you can recycle in your home.

Year 3
Holiday Activities
(2.4.20 - 19.4.20)
Upload a photo of what you did!

Create a dance routine or a play to perform to your family. Can you write a script for it?

Write a diary entry at the end of each day detailing the things you have been up to.

Start a new exercise routine and record your progress each day. How is it making you fitter or stronger or healthier?
