

3<sup>rd</sup> February 2022

Dear Parents and Carers,

### **Year 1 Phonics Workshop**

We are delighted to invite you to our Year 1 Phonics Workshop on Monday 7<sup>th</sup> February at 1.30pm on Zoom.

We will be sharing what the children are learning and how we support them in class. We will talk about the Phonics Screening Check and discuss a variety of strategies to support your child with their reading at home.

The Zoom session will be recorded and uploaded to the school website after the session, so you can access it after the session if the time is not convenient for you, or you want to watch any of it again. We will be on hand to answer your questions during the session and, if you watch it at another time, we are very happy to pick up any questions you may have following the session.

The Zoom link for attending the session will be emailed out on Monday morning. If you have any questions regarding the meeting, then please speak to Mrs Griffin or Mrs Morris.

Kind regards,

Flora Griffin  
EYFS/ Phonics Lead

Kate Dowdall  
Assistant Headteacher/ English Lead
