

9th March 2022

Dear Parents and Carers,

Year 6 SATs meeting – online via Zoom

On Tuesday 15th March at 2pm, we will be holding an online SATs workshop for parents and carers via Zoom. At this meeting, we will tell you about the assessments that your child will be completing, how we will prepare your children for them and what the SATs week will look like. There will also be an opportunity to answer questions that you might have.

We do realise that not everyone will be able to attend this online event, so we will record the workshop and you will be able to access it via the school website at a time that is convenient for you.

The same information will be shared with the children in school so that they have heard all of the necessary information in preparation for these assessments. Furthermore, we will send home additional information about SATs nearer the time, including a timetable for the week and details about our free Y6 SATs Breakfast Club, which will run from Monday 9th – Thursday 12th May.

We hope to see many of you at this online event. The Zoom link for this meeting will be emailed to all parents and carers on Monday 14th March.

Kind regards,

Mrs Dowdall and Miss Joomun
Year 6 teachers
