

Year 1

Maths tasks (aim to do one a day)	Reading tasks (aim to do one a day)
<ul style="list-style-type: none"> Log on to Education City and play the games set as homework. Practise counting in 2s, 5s and 10s. Play a board game with your family. Complete the Spring 6 mental arithmetic test. Complete the addition and subtraction end of unit assessment. 	<ul style="list-style-type: none"> Share a story – every day! Read a story to a friend or family member, this could be on facetime/ skype/ zoom! Write a review of a book you have read, you could use the resource on eSchools. Draw a story of one of your favourite characters and send it to your teacher on eSchools. See if you can spot this week's tricky words in your books.
Phonics / Spelling tasks (aim to do one a day)	Writing tasks (aim to do one a day)
<ul style="list-style-type: none"> Practise reading words with this week's sounds in them. Practise reading this week's tricky words. Play a game on Phonics Play. Play a game on Top Marks Phonics. Practise writing numbers 1-20 in words, you could use the resource on eSchools. 	<ul style="list-style-type: none"> Write sentences using words with this week's sounds in them. Practise writing this week's tricky words, could you put them in sentences? Write about each season. What would you wear in each season and what activities would you do in each one? You could use the template on eSchools. Keep a weather diary each day this week, you could use the template on eSchools. Write a message to send to your teacher on eSchools.
Other things to try out this week: Theme: Out and About Week!	
<p>In Year 1 we like to spend the first week back after a school holiday enjoying out and about week. Although we can't get out too much at the moment, there are still a few activities that you could enjoy:</p> <ul style="list-style-type: none"> Look out of your window or go for a walk in the local area for your daily exercise. Can you see any signs of spring? Use the checklist, write your own list or draw a picture. Make a spring story stick. This website explains how to do it - https://growingfamily.co.uk/craft/journey-stick-kids-nature-crafts/ If you have an outdoor space or balcony, make a bird feeder and make a note of any birds that come to visit. Make a weather chart and monitor the weather for the week.
